chemical free living facility in Jonesboro, Arkansas. On March 9, 2016, the defendant was discharged from the chemical free living facility due to possessing a valid prescription of hydrocodone. As a result of the defendant's discharge, he cannot return to the men's chemical free living facility. The defendant reported to the probation office as instructed and discussed options that would be beneficial to him until the expiration of his supervised release. The defendant agreed that residing at the residential re-entry center City of Faith in Little Rock, Arkansas, would be a structured environment to hold him accountable and assist him in his treatment needs. Furthermore, the defendant is a registered student and the University of Arkansas Little Rock and moving back to Little Rock, Arkansas, would allow him to continue his education. The probation office consulted with the U.S. Attorney and Federal Public Defender's Offices regarding the modification and there was no objection. As such, it is respectfully requested that the above modification be ordered.

I have been advised and understand that I am entitled by law to a hearing and assistance of counsel before any unfavorable change may be made in my Conditions of Probation and Supervised Release or my period of supervision being extended. By "assistance of counsel," I understand that I have the right to be represented at the hearing by counsel of my own choosing if I am able to retain counsel.
